HALLOWEEN CELEBRATION

October 31st was a day full of horror, costumes and candies at Esucela Las Morochas!

The kids had a chance to dress up in their favorite costumes and enjoy trick or treating around the school.

They even had the opportunity to visit a haunted house with their parents! It was an awesome day and everyone enjoyed it a lot.

ECE 1 and 2

Frances Cable

ECE is having a wonderful school year. They have learned so much. They practiced phonics daily and learned a new nursery rhyme every week. They had become experts at doing the daily calendar. They enjoyed counting objects and identifying shapes. As well, they loved doing experiments with water. They were real busy through out the days.

Halloween was a great success. Amanda won the 'cutest costume' and the 'trick or treat' was the main event for all ECE students. The students had a lot of fun decorating their pumpkin into Papa Smurf. And everyone agreed they did an excellent job!

Now, Stavros, Barbara, Balian, Amanda and Artsiom has set sail on Ms.Gaddis Mayflower as ELM Pilgrims so please look for them on the ship. There are many more fun events coming up and many new things to learn. It is great to be in ECE! Love, Ms.Frances and Ms. Soraya

ECE 3

Stephanie Flores

It was an exciting month for ECE 3. They really focused on their writing skills. They learned about our five senses in the science area. As well, they got better at solving math problems focusing in additions from 1 to 10. They really like to paint and explore their creativity.

October has brought a lot of new, wonderful, and excited experiences to my students. The concepts taught in class were put in practice while reading, writing, and even when painting our pumpkin to celebrate Halloween. Guess what? We won the first place at the Pumpkin Contest!

This October was a terrifying and fun month in 4th grade. Activities, costumes, pumpkins and haunted houses, accompanied us during this holiday.

5th Grade

Karen Gaddis

Grade 5 students portrayed themselves as Pilgrims and boarded the Mayflower. Students researched the voyage of the Mayflower. Students are enjoying their novel study, Tuck Everlasting. The question we will answer at the end of the book is if we would want to drink the water and live forever.

En este Periodo, continuamos con la Talla en Piedra de la Cultura Mesopotámica (Dibujos, Pinturas y Bajosrelieves) también estamos estudiando la Obra del Pintor Surrealista Belga René Magritte y su Simbología. Todos los grupos nos enfocamos en la festividad de Halloween para decorar "The Haunted House" donde Volcaron su mejor esfuerzo y su Creatividad, continuamos combinando la Historia del Arte y el hacer-arte con las manifestaciones Culturales de la Antigua Civilización Egipcia.

También estudiaremos la fusión del Arte y la Ecología, tomando como referencia la Selva Amazónica o el Pulmón del Mundo con Técnicas y Temas variados y versiones de un mismo tema. Los estudiantes están desarrollando su lenguaje plástico y su marca de afirmación.

Los estudiantes en la clase de Español, en este período, realizaron una variedad de actividades relacionadas a la Literatura Española Infantil, para hacer uso del análisis y comprensión de la lectura. Es muy importante destacar que la lectura, ayuda a la adquisición de vocabulario, fonética, pronunciación, entonación, entre otras.
